

AARON AQUINO

aaronaquino.github.io • (408) 775-4907 • aaron33@stanford.edu

EDUCATION

- Sept 2014 – Present **Stanford University**, Stanford, CA | Graduation: June 2018
- B.S. Computer Science (Information Track), Minor Spanish | GPA 3.9/4.0
 - Coursework includes: web applications, networks, databases, iOS, AI, algorithms, dynamics, Iberian and Latin American literature

WORK EXPERIENCE

- June 2017 – Sept 2017 **Software Engineering Intern, Google**, New York, NY
- Improved dynamic guides for restoring image aspect ratios and resizing tables and their rows and columns for Google Slides
 - Created a design plan and demo for implementing snapping to user-added static guides
- June 2016 – Sept 2016 **Software Engineering Intern, Google**, Mountain View, CA
- Implemented performance improvements to the searchbox for Google Maps that allow users with slow connections to execute queries faster
 - Designed a user experiment and added new logging metrics to better understand first user actions with the application
- June 2015 – Aug 2015 **Residential Counselor, Pre-Collegiate Summer Institutes**, Stanford, CA
- Helped teach students the programming skills needed to design and write their own video games using JavaScript
 - Led camp activities and field trips and provided residential support

PROJECTS

- Winter 2017 **ChoreoRoom, CS 193P**, Stanford, CA
- Designed an iOS app that allows dance choreographers to create and share animated formations
- Spring 2016 **Photo Mania, CS 142**, Stanford, CA
- Built a web application using the MEAN stack and Material Design that allows users to upload, rank, and comment on photos
- Winter 2016 **Blümbe, CS 108**, Stanford, CA
- Worked on a team of four to create a SQL-backed website for sharing and taking user-designed quizzes

ADDITIONAL INFORMATION

Technical Skills: JavaScript, Java, Python, Swift, SQL, C/C++, HTML/CSS

Groups: Bing Overseas Studies Program (Madrid Student Ambassador), Stanford Pilipino American Student Union, Common Origins Urban Dance Crew, BSA Troop 407 (Eagle Scout)

Language: Spanish (working proficiency)
